

## MAKE VISTA LOOK LIKE XP

1. Right click the Vista Desktop and choose Personalise.
2. Choose Theme then select Windows Classic from the drop down menu.
3. Next, click Change Desktop Icons in the top left of the Personalisation Window.
4. This allows you to put My Computer on the Desktop.

## To get the classic Start menu design back

1. Right click the Start Button and select Properties.
2. Click the Start Menu Tab and then select Choose Menu.
3. Clicking the Customise button next to this option will allow you to restore the Run option, which is normally missing in Vista.
